

Food Pantry

Willowbrook's Food Pantry provides food to homebound people in our community through Foodline Services.

We also provide food to Willowbrook members who find themselves in emergency and crisis circumstances. We are the only location that delivers in our community.

Donation bins are located in the main office doors (under the stairwell), in the kitchen, in the hallway outside the Unplugged Venue, and the stairwell by GoKids.

There are many ways that you can be a part of our food pantry:

- Donate items
- Volunteer to deliver food
- Volunteer at Foodline to answer calls (256-534-2424)

For He satisfies the thirsty and fills the hungry with good things.

-Psalm 107:9
