## “Walking in God’s Grace and Sharing His Love with Families in the Neonatal Intensive Care Unit”

Footprints ministry is an amazing opportunity to share the love of Christ to NICU parents as they are facing one of the most exciting and difficult times in their lives. Footprints ministry makes gift bags for parents in the Neonatal Intensive Care Unit at Huntsville Hospital. The gift bags include a Bible, disposable camera, monogrammed burp cloth, scent blanket, magazines, travel necessities, prayer request card and gift cards to local restaurants.

**For more information, Contact Anna Alexander 256-652-1524, [annamalexander08@gmail.com](mailto:annamalexander08@gmail.com) or visit [www.nicufootprints.org](http://www.nicufootprints.org)**

There are many opportunities to serve with Footprints. Come alongside NICU families and help carry them through their difficult journey. Footprints team meets the first Monday of every month at 6 p.m. at 1204 Rue Vieux Carre. We would love to have you join us!

I had helped a little with Footprints ministry while pregnant with our son, Christian. I didn’t realize the full impact of this ministry until Christian was born and needed to spend time in the NICU himself.

One of the first people my husband and I encountered in the NICU shortly after Christian was born was Kim Wilson. We were immediately comforted knowing that there was a ministry that knew exactly what we were going through, and was supporting us through prayer. We were very fortunate that Christian only had to stay a short time, when so many others have to wait longer to bring their baby home. Through Christian’s birth, God showed us a ministry where we can help others, while truly understanding what other parents are going through.
