

# Men's Motorcycle

## Ministry

Jeff Robertson • Ellis Long • Josh Russo

### MISSION

To introduce bikers to Willowbrook and to encourage friendships with other Christian men who share a love of motorcycles and eventually demonstrate that the church's membership and doors are wide open.

## Willowbrook Bike Show April 28, 2012

### GOALS

#### Fellowship

Build lasting relationships to help encourage men to "lean on one another." Men are taught from an early age to be self-sufficient and "tough." In this world it's hard to

find a friendship you can trust to share your toughest struggles with. "As iron sharpens iron, so one man sharpens another" Psalm 27:17.

During our rides, time will be set aside for prayer and discussion among the group to help encourage one another.

#### Outreach

Sharing our hobby of motorcycling allows us to get to know others and be examples to other motorcyclists. In many cases a lot of the men have had a bad experience in churches,

didn't fit in, have guilt about sin that makes them feel hopeless or have never been invited or welcomed.

Our goal is to invite other bikers to events, rides and charity events throughout the year to show them that being a Christian man doesn't mean you are quirky, weird, or look down on others; it's to let other men know we share their struggles and that with the Love of Jesus we have a peace in facing the difficulties men deal with in this world.

### **Improve our knowledge of the Word**

During our rides we will have a time of devotion which will cover topics specifically for men that will quote scripture and allow for discussion with open questions so that even those who may have never read the Bible feel comfortable in discussing passages and topics that day.

For more information or details on the next ride, contact Ellis Long at: [longellis151@aol.com](mailto:longellis151@aol.com) or 256-690-6129
