

# Take It Back Prayer

As I look around the sanctuary during Take It Back, one of the most inspiring things is watching our youth gather for a common goal., praying to reclaim our city that will one day be theirs.

**“We want to claim our city for the One who can build it up.”**

**Do you think our country is in trouble?  
Our state?  
Our city?  
Our government?  
Our schools?**

Can you imagine what a difference our united prayers can make as we come together and pray to “take back” our city? I believe in the power of prayer, and with God we can change the world! Missions of Willowbrook needs you to join the fight to “TAKEBACK” our community, city, state, government, schools, workplace, and our families with prayer. Our united prayers can change the world.

**4th Monday • 7-8 p.m. • Worship Center  
Worship leader: Deanna Wood**

**Please join us as we pray to the only one who can make a difference.**

- Bring your family, bring a friend
- Stroll a baby while listening to your iPod
- Stand, kneel, praise, pray!!

Whenever I go to Take It Back Prayer, I always sit with my friends. I'm in 7th grade and you might think that we sit around and talk about boys, clothes, or our hair. However, that is far from our topic of choice. We do pray about our country, we want to give not only this city back to God, but the world! Take It Back is important to me because it gives us the opportunity to come together as a community and pray. Also, this is a time where we come together to glorify God and let Him know we believe in His power. - Rebecca, 12
